Sun Lounge Lintels - Available in days not weeks!

A Sun Lounge:

- is an integral part of your home - not a 'bolt on' extra
- blends and enhances the external aesthetics of your home
- gives excellent heat retention in winter
- provides protection from the blazing summer sun

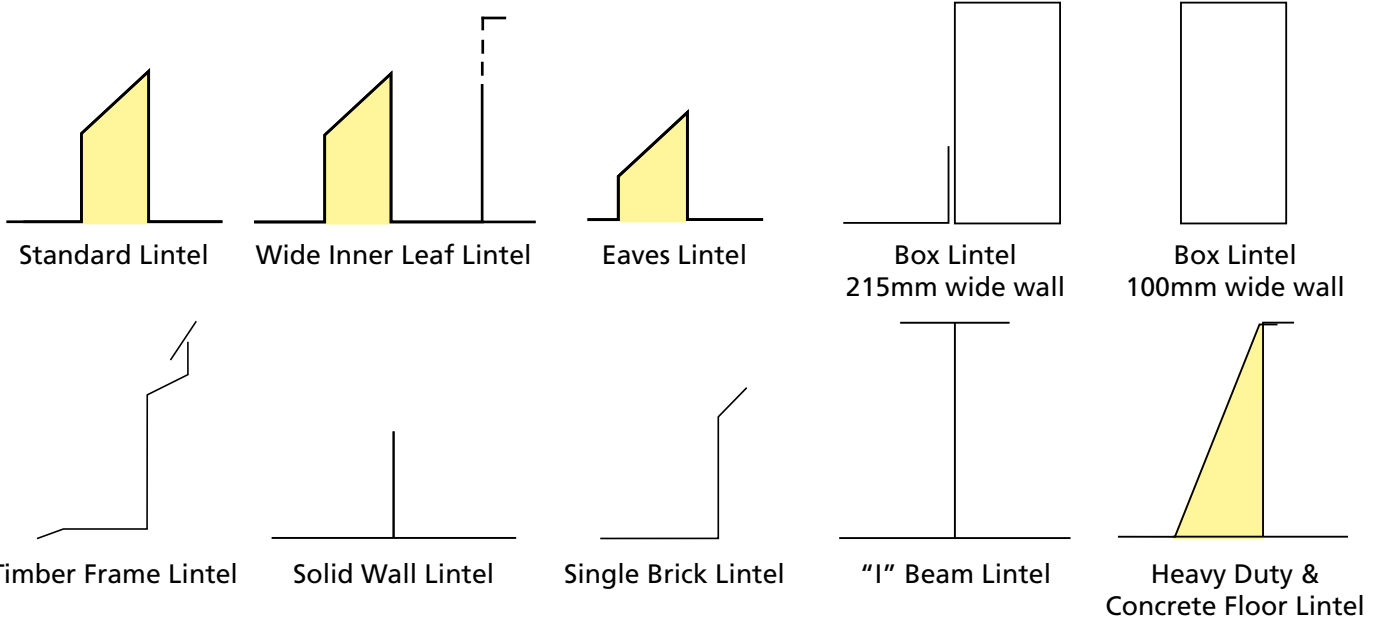

The construction of a Sun Lounge has been simplified by the introduction of an Acier Lintel. It is a one piece unit which removes the need for local engineering, allows architects to design the Sun Lounge to suit the property, and will keep the cost sensible.

The Acier Sun Lounge Lintel is designed and delivered ready for erection.

It's as easy as...
